Please read the assumptions below carefully before you proceed

- You have been claims-free for the last 5 years
- You have not had a proposal for insurance declined, renewal refused, cover terminated or special terms imposed by any insurer
- Property is occupied solely by you and your family for residential purposes only
- Property is not left unoccupied for more than 30 consecutive days in the year
- Property is of standard construction (i.e. built of brick or stone and roofed with slate, tile or concrete)
- Property is located in an area free from flooding, subsidence, heave and landslip, coastal or river erosion
- You have not ever convicted or have any prosecutions pending for any criminal offence

Here are four things you should know

1. By increasing your excess amount to €1,000 on each claim you could qualify for additional discount of up to 15% of your usual home insurance premium.
2. Installing a burglar alarm in your house can reduce your insurance premium by as much as 10%. If the alarm is linked to a monitoring station this discount could increase to 15%.
3. If you've been claims free on your home insurance for 5 years or more, you can be entitled to a discount of up to 30%. Some insurers offer a discount of up to 10% on your home insurance if your motor cover is also with them.
4. Home owners aged 50 or over qualify for discount of up to 10%.
